

## Saturday Program Financial Assistance

There is limited financial aid available only for those students who receive Free or Reduced Lunch according to Federal guidelines. Providing this information will not disadvantage you.

If you do not have a Free or Reduced Lunch letter from the current school year but your family qualifies for the National School Lunch Program on the basis of income (please consult the [income guidelines](#)), we will evaluate your most current IRS 1040 form.

A copy of your official notification that your child is eligible for free or reduced price meals or your IRS 1040 is **required** and must be submitted to our office. If supporting paperwork is not submitted, or if there is a significant discrepancy between the information submitted online and the confirmatory documents, the tuition and fee waiver may be rescinded and/or the student may be removed from the class.

Information supplied to the Robinson Center is intended for internal use only. It is understood that this information will be used only in computing the amount of financial assistance for which the student may qualify, and that it will not be released to any other party.
