Scholarships & Paid Opportunities:

- **Carlson Center Community Based Internships**

  Carlson Center Community Based Internships create outstanding partnerships between dedicated undergraduate students and non-profit and public sector organizations that are actively engaging in community-led work and reflecting on power, privilege, and oppression in the greater community and within their own organizations.

  This pilot program, funded by the University of Washington, invites collaboration and eliminates financial barriers: organizations receive support from dynamic, creative student interns, while students interested in public service are supported to explore this career path by receiving payment for their internship experience.

  The Carlson Center is currently accepting applications from organizations interested in hosting an intern and applications from students interested in exploring careers in community engagement through a paid internship.

Innovations in Pain Summer Research Program—Application Now Open!

Deadline February 16, 2016

Millions of people in the U.S. alone suffer from debilitating chronic pain. The Innovations in Pain Research Summer Program will expose 5-7 University of Washington undergraduate students to interdisciplinary research in pain to stimulate interest in future careers in pain research. This program will immerse undergraduate students in research to better understand pain and treatment mechanisms, develop new therapies, and improve access to evidence-based pain care.

Husky Green Award

Show your appreciation for your Green role models at UW by nominating them for a Husky Green Award!

The Husky Green Awards recognize students, faculty, staff and teams from all UW campuses who demonstrate initiative, leadership and dedication to environmental stewardship and sustainability. All members of the UW community can submit nominations, and this year everyone who submits a nomination will be entered into a drawing to win a prize pack including Husky Grind coffee and a reusable mug.

If you know a green superhero at the UW, you can show your appreciation by nominating them for a Husky Green Award before March 1, 2016. Students, faculty, and staff from any of the UW campuses are eligible, and any member of the UW community can submit a nomination.

Events:

UW SWING KIDS PRESENTS: SWING WARS EPISODE II: THE WINTER QUARTER DANCE

Come cut a rug with us to our very own Cantina Band, lead by the singular Casey McGill!

The dance will be held on February 6th. The absolute beginners lesson starts at 7:00 PM, taught by Diego Chavez and Sean Dunn. Followed by dancing to a live band ’till 11 pm!

This dance is FREE for all, though donations are welcome.

No experience required! Bring your friends, your family, and your Grandpa that danced the jitterbug back in his day.

Star Wars costume is welcome, even encouraged! Break out your robes and your chewbacca suits!

- **2016 Internship Fair**

  Are you looking to gain an **internship opportunity**? Search no more! The Career Center's Internship Fair is a great opportunity for students of all majors and class levels from all three UW campuses to connect with corporate, small business, non-profit and government employers who are all looking for Huskies, like YOU, to fill their internship needs. Some employers will have part-time and full-time positions available as well. Don't miss out on this perfect opportunity!

  - Thurs, February 18th, 2016
  - 2:00-6:00pm, HUB Ballroom–Seattle campus
  - Bring 15-20 copies of resumes
The Details

- All UW students from all 3 campuses can attend
- Dress code - business casual
- A list of attending employers and details about what to expect is here

Why Attend

- Your future employer wants you to do an internship. 60% of employers prefer to hire job applicants who have internship experience.
- Two or more internships will improve your odds of landing a job. UW graduates who completed 2 or more internships were less likely to still be looking for work 6 months after graduation.
- Recruiters hire students who attend fairs. 92% of the employers who attended our 2015 Internship Fair and completed our survey indicated they extended offers to candidates they met at the fair.
- Employers aren’t just looking for programmers and accountants. 50 of the employers who attended last year’s Internship Fair were open to ALL MAJORS!

Questions: Please contact Donna Chen at 206-543-0535 or email ccsevent@uw.edu.

We look forward to seeing you on February 18th!

● The Harry Bridges Center for Labor Studies is collaborating with the Center for Communication and Civic Engagement for an event April 28th called the **Next System Teach-In**.

An Info Session will be held on February 11th for faculty, student groups, staff and community partners who are interested in getting involved.

When: February 11, 2016, 4.30 - 5:30 pm

Where: University of Washington, Communications Building, CMU 126

The Next System Project is an ambitious multi-year initiative aimed at thinking boldly about what is required to deal with the systemic challenges the United States faces. This includes a call to universities for a nationwide teach-in on providing a space that offers such.
The teach-in goals are:

- Increase collaboration among teachers, learners, and movements for system change.
- Start a conversation about moving beyond the current political stalemate to envisioning a new future for our community and the world.
- Dig deep and focus on generating ideas about the next system, and how to create change.

If you have questions, please call us or write. See you Thursday, February 11th.
