Scholarships & Paid Opportunities:

- **Beinecke Scholarship for Juniors in Arts, Humanities & Social Science Fields**

  UW application deadline: Jan. 11, 2016, 11:59pm

  The Beinecke Scholarship provides $34,000 for graduate study in arts, humanities and social science fields to juniors (based on graduation date) of exceptional ability, achievement, and who have financial need. Students must be nominated to compete for this scholarship, and the UW is allowed to nominate one student per year to compete for this national award. Students from all 3 campuses are welcome to apply for nomination.

  If you are considering graduate studies in an arts, humanities or social science field, have a passion for that field, and financial need, consider applying! The Beinecke Scholarship program seeks to encourage and enable highly motivated students to pursue opportunities available to them and to be courageous in the selection of a graduate course of study. Each scholar receives $4,000 immediately prior to entering graduate school and an additional $30,000 while attending graduate school. There are no geographic restrictions on the use of the scholarship, and recipients are allowed to supplement the award with other scholarships, assistantships and research grants.

  To learn more about this opportunity and the UW application and nomination process, please attend a Beinecke Scholarship Information Session:

  - Tues., Nov. 17, 2015, 4:30-5:20pm, MGH 173R
  - Wed., Dec. 2, 2015, 12:30-1:20pm, MGH 173R

  * RSVP to attend at [https://expo.uw.edu/expo/rsvp/event/238](https://expo.uw.edu/expo/rsvp/event/238), though drop-ins are always welcome.

  Please feel free to contact Robin Chang in the UW Office of Merit Scholarships, Fellowships & Awards (robinc@uw.edu, 206-543-2603, MGH 171) with questions or concerns.
● Digital Media Producer

Undergraduate Academic Affairs is looking for a UW undergraduate student to be our digital media producer and help tell some stories of the amazing things that undergraduate students are doing. Are you a digital storyteller? Do you want to share stories of the undergraduate academic experience? Then we hope you take a look at the job description and consider applying. In addition to being a fun way to learn more about the UW, it’s a great opportunity to build your digital storytelling portfolio.

To apply, please submit the following to Kirsten Atik, Communications Director, katik@uw.edu:

- Your résumé and a cover letter explaining your career interests, relevant coursework, and employment experience.
- 3-5 examples of your video and photography work. Strong preference given to candidates who submit both photography and video samples.
- Finalists should be prepared to submit two professional and/or academic references. Written references not required; references will be called for finalists.

Closing Date: Open until selected but priority consideration given to applications received by 12/4/15.

● DAAD (German Academic Exchange Service) scholarship program for study, research and internships in Germany. The DAAD offers a wide variety of funding opportunities for students including summer research internships for students in the sciences. Please share the following information with your students and colleagues.

DAAD RISE: Research Internships in Science and Engineering

Competitive summer internship program for students in Biology, Chemistry, Physics, Earth Sciences and Engineering

Students work with research groups at universities and top research institutions

Length of program is 2-3 months during summer term

Working Language is English

Scholars receive stipends from DAAD to help cover living expenses

Over 300 students are awarded annually

Important Dates:

- November 19th - Information Session at 11:30am in MGH 171
- December 4th – Information Session at 12pm in MGH 171
- January 15, 2016 – Application Deadline

Please find more information at the DAAD Rise at the website.
UWRA Scholarships & Fellowships in Aging

Up to four scholarships of $4,000 each will be awarded to UW students studying toward a career in aging-related research or provision of services to older adults.

Who is eligible:
Currently enrolled UW undergraduate, graduate or professional students with a career emphasis on aging, regardless of major. Applicants should have completed the first year of their programs before applying.

International and HB1079 students are welcome to apply

What to submit:
Application (use the ‘Apply’ link at uw.edu/uwra/scholarships-fellowships-in-aging), including unofficial transcript

A 2015-2016 FAFSA must be on file in the Student Financial Aid office

Evaluation criteria:
● Demonstrated experience in and commitment to paid or volunteer work benefiting older adults
● Academic performance
● Communication skills
● Financial need (as determined by the FAFSA)

Deadline for online receipt of all application materials is 3:00 p.m., Thursday January 28, 2016

Hourly Student Office Assistant--Office of Student Services, Career Services

University of Washington Information School

Deadline to Apply: 12/04/2015

Position Description:
The iSchool Student Services, Career Services team is looking for a UW student to provide general office assistance in the following areas:

● Reception coverage (answering phones, greeting/directing walk-in traffic, helping students make appointments, checking in student appointments, answering general questions)
● Assist employers and students with accessing the iCareers CRM system and answer questions that arise for job postings
● Manage iCareers job description entry, run reports and troubleshoot any issues that arise with the system
● Monitor the iCareers email box
● Provide assistance for event preparation
● Run occasional errands on campus
● Other duties as assigned

This position will work about 10 hours a week

This position is open to all University of Washington students, both Undergraduate and Graduate. This position is not benefits-eligible. Questions should be directed to Dean Speer, HR Coordinator, ballet@uw.edu or 206-685-1327.

To apply:

1. Please include a cover letter describing your skills, experiences relevant to the position, and what day you are available to start working.

2. Attach a current resume that includes your work history and academic accomplishments.

3. If you have a work study award, please attach a pdf of your work study award.

iSchool students, please submit all application materials via iCareers and search for job number #3701.

Non-Information School students can apply through Husky Jobs and search for job #96803.

Please submit all application materials no later than Friday, December 4th, 2015 to be considered for this position. All candidates will be contacted within two weeks of closing date.

● 2016 Amgen-UROP Scholars Program.

The Amgen-UROP Scholars Program is now soliciting applications for students to engage in research as part of the summer. While spending a summer in Boston and gaining research experience, students will be paid a stipend; room, board and transportation to and from Boston will also be covered by their appointment. All students will live on-campus in one of our undergraduate residences. This community of young scholars will share in the excitement of research by participating in a faculty-led seminar series, workshops, poster session and a mid-summer symposium at UCLA (travel, room and board are covered).

MIT is delighted to invite undergraduate students from other colleges and universities to join our research enterprise. We value the knowledge, experience and enthusiasm these young scholars will bring to our campus and appreciate this opportunity to build a relationship with your faculty and campus.

More information about our program, application, and contact information can be found at: http://mit.edu/urop/amgenscholars/index.html

● FLAS Fellowships

Interested in studying a foreign language and learning about different cultures? FLAS Fellowships award $7,500-$33,000 to UW students studying foreign languages!

FLAS Information Sessions will be held at the following dates and times:

● Tuesday, December 1, 2:30-3:30 in Thomson Hall 317
● Tuesday, December 8, 3:30-4:20, Smith Hall 309
● Wednesday, December 16, 3:30-4:30 PST Web Chat*
● Tuesday, January 5, 1:30-2:30, Thomson Hall 317
● Thursday, January 14, 2:30-3:30 Virtual Office Hour*
*see FLAS website for access instructions for web chat sessions and virtual office hours.

Applications due January 29, 2016. Questions: email rldavis@uw.edu

For more information, visit http://www.jsis.washington.edu/advise/flas/

The FLAS Fellowship is available to U.S. citizens and permanent residents.

● **Student Calling Program**

The Student Calling Program employs between 70 and 80 student callers, and 8 student managers. On a nightly basis (Saturday-Thursday) callers engage in quality conversations with alumni and work to acquire gifts to the university. This is a great job for students looking to increase many skills including but not limited to: verbal communication, sales experience, working as a team. However, we employ students from all different majors and interests across campus. Additionally, students have the opportunity to network with professional advancement staff, but they also get to enjoy flexible schedules and a fun, laid-back environment.

The job application is due on **Monday, November 30th**. Students wishing to turn in an application should email pamw2@uw.edu.

**Learning & Leadership Opportunities:**

● **THE COMMUNITY LITERACY PROGRAM** - Partners in K-12 Education [CLP 2016]

Are you a UW student interested in helping public school students succeed? Looking for a meaningful way to earn your "Composition" or "W" credit? Getting real world experience to help you choose a major or a career path? Completing classroom hours for the Education, Learning and Society Minor or for application to a Masters in Teaching program? Improving your research, writing, and collaborative learning and presentation skills? Are you looking for an opportunity (in the words of Paul Farmer) to “use what you learn to transform yourself and your community”? The Community Literacy Program may be just what you're looking for.

The Community Literacy Program (T/Th 11:30-1:20; ENGL 298, C or W credit) will be taught by CLP Director Prof. Elizabeth Simmons-O'Neill. The Community Literacy Program links a 5 credit on-campus seminar (English 298) with a 3 credit service-learning internship in a "high needs" partner public school program (English 491). All CLP students participate in this service learning internship, which may be used toward the field work requirement for the ELS minor, and the observation hours required prior to applying to the UW Masters in Teaching program.

English 491 internship schedules are arranged individually at a CLP partner K-12 public school; students who are already volunteering in a public school may be able to continue that placement as their service-learning for CLP. The Community Literacy Program assignments include field notes/service-learning journal, a collaborative presentation, an individually designed research project, and a career-related assignment sequence taught in partnership with the UW Career Center. Central course goals include engaging in effective, reflective work with public school students and teachers; more deeply understanding current debates in public education by bringing together theory and practice; gaining skill and confidence in our own writing and revising processes, and reflecting on the impact of Community Literacy Program on our academic, career, civic and personal goals.
Information and add codes are available from the instructor at esoneill@uw.edu. More information is available at http://faculty.washington.edu/esoneill/clp/

● **Distinguished Teaching Award, Distinguished Teaching Award for Innovation with Technology, and the Excellence in Teaching Award.**

The Center for Teaching and Learning and Undergraduate Academic Affairs invites you to take part in recognizing the many dedicated and inspiring faculty and graduate students at the University of Washington. Nominate your instructor for one of the following:

- **Distinguished Teaching Award,
- Distinguished Teaching Award for Innovation with Technology, and the Excellence in Teaching Award.** Providing an enriching undergraduate and graduate learning experience is what connects are recipients.

To learn more about the different awards and to submit your online nomination form, visit our website at: www.uw.edu/teaching/awards. Questions may be sent to dta@uw.edu. The deadline for all nominations is Monday, November 23, 2015 at 5 p.m. – no exceptions.

● **Summer 2016 NASA internships** are now open for application and close on 03/01/2016.

To apply, visit the One Stop Shopping Initiative (OSSI) at the URL below then look for "Student Login/Registration" at the top of the webpage, activate and apply to as many relevant internships as you desire.

https://intern.nasa.gov/ossi/web/public/main/

This year, the following agencies are offering internships:

- Ames Research Center (Moffett Field, CA)
- Armstrong Flight Research Center (Edwards, CA)
- Glenn Research Center (Cleveland, OH)
- Goddard Institute for Space Studies (2880 Broadway, NY)
- Goddard Space Flight Center (Greenbelt, MD)
- IV and V Facility (Fairmont, WV)
- Jet Propulsion Laboratory (Pasadena, CA)
- Johnson Space Center (Houston, TX)
- Kennedy Space Center (Kennedy Space Center, FL)
- Langley Research Center (Hampton, VA)
- Marshall Space Flight Center (MSFC, Huntsville, AL)
- Michoud Assembly Facility (New Orleans, LA)
- NASA Headquarters (Washington, DC)
- NASA Shared Services Center (Stennis Space Center, MS)
- Stennis Space Center (Stennis Space Center, MS)
- Wallops Flight Facility (Wallops Island, VA)
- White Sands Complex (Las Cruces, NM)
- White Sands Test Facility (Las Cruces, NM)

● **Overcoming Social Challenges Group:** Wednesdays 2:00 to 3:30 pm. Starting September 30, 2015 (Openings available as of 11/17/15). If you're interested in the group or have questions, please contact one of the co-facilitators: Treg Isaacson, MA (221-7983) or Meghann Gerber, Psy.D.: (206) 221-7941.

Cost of all groups: $57 per session ($40 No Show Fee without 24 hour notice). Insurance may cover fees, please check with your insurance carrier.

Where: Mental Health Clinic, Hall Health Center, 3rd Floor.

Register, get information, or ask questions at 206-543-5030, option #4 for any and all groups.
Go to http://depts.washington.edu/hhpccweb/content/clinics/mental-health/group-therapy-support-groups for more information about our groups.

Events:

● **UW Golden Key's Blanket Making for the Homeless**

The UW's Golden Key International Honors Society is putting on a blanket making event! This is one of our most interactive, creative and social philanthropy events of the year! We have set a goal of creating 20 full-sized fleece blankets that will then be donated to ROOTS homeless shelter. It is a great cause, but an even more fun time. This is a fantastic way to get to know the officer team and some members of AKPsi (a co-ed business fraternity on campus that is joining us for this event.) You are more than welcome to bring a friend if you so choose. The more the merrier!

Some of you may be thinking-- how in the world do you make a blanket?... DO NOT WORRY. We will teach you how to cut little rectangles and tie the ends together. It is super fun and easy but will take about 2 hours for us to make all 20 blankets.

We are meeting in Savery room 131 on November 21st at 3:30pm. We are looking forward to seeing everyone there!

● **Domestic Drones and the Right to Privacy: Congresswoman Suzan DelBene**

November 23rd, 2015 – 10:30 a.m. to 11:30 a.m.

Held in Denny Forum, Parrington Hall

Please join Congresswoman Suzan DelBene and privacy policy experts for a discussion about the importance of protecting individuals from mass aerial surveillance. Earlier this year, news reports revealed that the Federal Bureau of Investigation has been conducting aerial surveillance missions over many U.S. cities, including Seattle, and notably during protests in Baltimore, MD and Ferguson, MO. The reports suggested that some of the aircraft were equipped with capabilities ranging from “Stingray” technologies, high resolution cameras, to infrared cameras. Such technologies can capture massive amounts of data including images, emails, texts, calls and geolocation, detect movement inside homes and buildings, and patch together highly detailed images of vast numbers of pedestrians and cars on the ground, all raising significant Fourth Amendment issues and questions for Congress that this panel will explore.

● **Dance Marathon**

We at DM@UW would like to invite you to join us at our Dance Marathon event on January 30th!

What is Dance Marathon? DM is a year-long fundraising effort through Children's Miracle Network that benefits the Uncompensated Care Fund at Seattle Children's Hospital.
Opportunities range from leadership and volunteerism to fundraising and making a tangible difference in the lives of children in our area.

We would love to have you join us in our movement because every kid deserves the chance to be a Husky! Please take a moment to check us out on Facebook, Twitter, and Instagram. We encourage you to share the movement with your friends and other groups, and consider joining the 100+ other UW students who have already joined a team! Register today and help us surpass our goal of $15,000 For the Kids! We look forward to seeing you at our culminating event on January 30th in the HUB!

Questions?
Email Lexi at lexileffler@gmail.com

● Parent & Family Weekend
We are thrilled to announce that registration is now LIVE for Parent & Family Weekend (PFW), April 8-10, 2016! Email invitations were delivered this week to all current undergrads, as well as our Parent & Family Programs e-news subscriber list.

We know that this inaugural event will be most successful if students invite their parents and families to join them on campus in celebration of their life at the UW.

So, students! Text or email your parents with the link to register: uw.edu/parents/pfw.

Also, feel free to contact me at vkh@uw.edu or event lead Annie Alldredge at alldra@uw.edu. Thank you for your support!

● The Queer Student Commission (QSC) Ball
Drag Performers! Poets! Dancers! And anyone else with something they’d like to showcase are all welcome to come showcase their skills to the community!

The QSC Ball this year will take place on Friday, January 22nd 2016!

All interested performers should fill out the google form at: http://goo.gl/forms/CKaQzswclh

Any questions? Feel free to email QSC Director Oscar Arreguin Méndez at asuwqsc@uw.edu
