

SATURDAY PROGRAM PARKING OPTIONS

ON-CAMPUS PARKING

COST: \$5.00 - \$10.00 PER DAY before noon; parking is **FREE AFTER 12 noon.**

Padelford Parking Garage is the closest to Loew Hall and has several levels of parking. Padelford Garage can be entered from 25th and Ponderay. All lots on campus cost \$5.00 on Saturday before noon EXCEPT for the Central Plaza Parking Garage, which is \$10.00.

The closest handicapped parking to Loew Hall is available in lots C15 and C17. Handicapped parking is available in other lots throughout the campus as well.

We recommend that you visit the University of Washington's website and click on Maps to locate Loew Hall and parking: www.washington.edu/maps/

Complete information on parking services and the UW's campus parking rules can be found on the UW's [Transportation Services web page](#).

STREET PARKING

COST: \$1 - \$1.50 per hour

If you prefer to look for street parking, please be aware that the university district parking is not free on Saturdays. For more public parking information, we recommend this website: <http://www.parkopedia.com/>

PUBLIC TRANSPORTATION

COST: \$1.50 for youth, \$2.50 - \$3.50 for adults

[Google Maps](#) is the best resource for looking up bus routes that take you to campus. You can type in "Loew Hall" and Google Maps will find the correct building. You can also visit [Metro Trip Planner](#) or [Sound Transit Trip Planner](#) for bus and light rail schedules. Schedules DO vary on weekends, so make sure you are looking at search results for Saturday rather than a weekday.

OTHER THINGS TO CONSIDER

UW SPORTS AND OTHER UNIVERSITY DISTRICT EVENTS

Periodically, there are special events taking place in the U-District on Saturdays that will impact both traffic and parking.

BRIDGE CLOSURE AND TRAFFIC

The WA Department of Transportation posts their traffic reports online: www.wsdot.com/traffic/seattle/default.aspx

We strongly recommend checking traffic reports early Saturday morning, as the commute to campus can be rough. The Robinson Center will not always be able to notify you of traffic revisions in advance.
