

Parent Programs

UW – The Robinson Center

Winter Quarter – 2019

ALL PARENT INTERACTIVE PROGRAM

- **Tuesday, 1/29 at 7:00 pm – The Gift of Failure, Part 2**
- **Wednesday, 2/27 at 7:00 pm - Essential Skills for College Grads: They're not what you think**
- **Thursday, 3/14 at 7:00 pm - What Parents Say and What Children Hear**

We hope this will be a space for you to find community, think and talk about what you and your students are experiencing, and use RC staff as resources to learn and grow. Join us for wine and cheese and a chance to mingle. Around 7:15 we will settle in to talk about our monthly theme and give you all a chance to bring up concerns and questions and use each other as resources. Themes will be decided on by the group and will be facilitated by staff. Discussion may include family life, social media, decision-making, anxiety/stress, etc.

TS PARENTS ONLY:

- **Parent/Teacher Conferences – 2/20 from 3-7pm**

How is my child doing this quarter? Be involved in your student's learning and progress. This will be a chance for you to meet one-on-one with your student's teachers and talk about their progress reports.

FIRST YEAR EEP AND ACAD PARENTS ONLY:

- **Wednesday, 2/7 at 7:00 pm – Freshman Parent Check-In**

Topics discussed will include spring registration, second year housing options and summer plans. Additionally, parents will have the opportunity to chat with Robinson Center support staff as well as fellow parents.
