

# Differentiating for Highly Capable Students in K-3 General Education Classrooms

**Dr. Nancy B. Hertzog**

**9am – 3pm, Tues. July 14<sup>th</sup> – Wed. July 15<sup>th</sup>, 2020**  
**UW Seattle Campus**

This two-day workshop will focus on the *mindset* and *strategies* that teachers need to challenge young children in grades K-3. Specifically, teachers will be introduced to the Project Approach, a process that empowers students to pursue answers to their own questions, and engages students in first-hand investigations. In addition, teachers will be given specific strategies to structure their classrooms to facilitate differentiation in their classrooms. Participants will leave this workshop with planning tools to implement in their classrooms entering Fall 2020.

## Registration:

Online Beginning March 1st

\$200.00/Person

*Administrators' fees are waived with at least three registered teachers from their district*
