

# Enrichment Opportunities 2022-23

## UW Robinson Center for Young Scholars

### Saturday Program

#### GRADES K-8

Saturday classes are intended to provide intellectually ambitious students with challenge, inspiration, and fun, in a collaborative, supportive learning environment. Our classes are not intended to move students ahead in the standard curriculum but rather to explore topics not usually covered in the K-8 classroom, including chess, philosophy, architecture, and more.

- Each class session is 50 minutes and meets over a period of 8 Saturdays each quarter. Our schedule allows students to take up to 3 classes a quarter.
- Tuition per class: \$275, which includes **non-refundable** \$25 registration fee. Tuition is waived for students qualifying for Free/Reduced Lunch.
- There are no qualification requirements for Saturday programs.
- See the Robinson Center website for more details:  
<https://robinsoncenter.uw.edu/programs/saturday-program/>

#### KEY DATES

- **Winter 2023** – January 21st–March 18<sup>th</sup> (No Class Feb. 18) – Registration opens December 11th, 4pm
- **Spring 2023** – April 1st–May 20th – Registration opens March 5th, 4pm

### Summer Challenge

#### GRADES 5-6

Summer Challenge is an academically advanced summer program for children who will have completed the 5th or 6th grade. Summer Challenge provides motivated students with an intensive, hands-on, fun, and educational experience in areas outside of the traditional school curriculum.

- The program runs for three weeks, five days a week, 9:00am–2:20pm. The Robinson Center offers before-class and after-class care when in person.
- Tuition: \$1,200, which includes a **non-refundable** \$50 registration fee. Tuition assistance is available for students qualifying for Free/Reduced Lunch.
- For detailed information on qualification requirements, please visit the Robinson Center website:  
<https://robinsoncenter.uw.edu/programs/summer-programs/summer-challenge/>

## UW Robinson Center for Young Scholars

### Summer Challenge (continued)

#### KEY DATES

- Registration opens at 4pm, February 26th
- 2023 Challenge Dates: July 10th–28th

### Summer Stretch

#### GRADES 7-10

*(Not all classes are open to all grade levels.)*

Summer Stretch offers both accelerated courses (e.g. Algebra 1 & 2, Geometry, Precalculus, Chemistry) and courses for enrichment (e.g. American Literature, Speech and Debate, Physics of Robotics). All of these courses provide an in-depth, intensive learning experience.

- The 2023 program will run for four weeks, four days a week (Mon-Thurs)\*, 9:00am–2:20pm.
- Tuition: \$1,200 including a **non-refundable** \$50 registration fee. Tuition assistance is available for students qualifying for Free/Reduced Lunch.
- For detailed information on qualification requirements, please visit the Robinson Center website: <https://robinsoncenter.uw.edu/programs/summer-programs/summer-stretch/>
  - \* **Please Note:** The first week of Summer Stretch will run Wed-Fri to accommodate the July 4<sup>th</sup> holiday

#### KEY DATES

- Registration opens at 4pm, February 12th
- 2023 Stretch Dates: July 5th–27th

### TA Opportunities

The Robinson Center hires a number of teaching aides (TAs) for all of the above programs. If you are interested in being a TA for Summer 2023, please check the Robinson Center website in early February 2023 for application instructions. TAs are paid \$17.27/hr.

TA duties include but are not limited to:

- Attending all class meetings
- Assisting in taking daily attendance
- Helping the instructor in class activities
- Working with students individually and in group settings
- Documenting class activities
- Accompanying students on field trips on and off UW campus
