What is UW Academy?

UW Academy is an early admission opportunity at the University of Washington for current 10th-grade students. Students apply to the program during their 10th-grade year, and if accepted, withdraw from high school, enrolling as freshmen at the University of Washington the following fall. At the Robinson Center, Academy students find a community of like-minded peers and an experienced staff who can help them to make the most of their time at the UW, with access to personalized advising services, student programming, and a robust alumni network.
